

2025 NASP® National Tournament Qualifications Bullseye and IBO 3-D Challenge

	NASP® National Bullseye Tournament	NASP®/IBO National 3D Challenge Tournament
Rankings/Scores based on:	State NASP® Bullseye tournament	State NASP® IBO 3-D Challenge tournament
Teams:	1 st place teams in each division (Elementary, Middle, High)	1 st place teams in each division (Elementary, Middle, High)
	Elementary Division team score >= 2,500	Elementary Division team score >= 1,225
	Middle School Division team score >= 3,000	Middle School Division team score >= 1,425
	High School Division team score >= 3,100	High School Division team score of >= 1,475
		Teams from active NASP® schools in any State without a NASP® IBO 3-D Challenge State Tournament. (if space is available)
Individuals:	Top 10 individual boys from each division (Elementary, Middle, High)	Top 10 individual boys from each division (Elementary, Middle, High)
	Top 10 individual girls from each division (Elementary, Middle, High)	Top 10 individual girls from each division (Elementary, Middle, High)

Important Notes:

- If your team qualifies, you **MUST** register and compete as a full qualified team. This means at least 12 archers with at least 4 of each gender for bullseye and 6 archers with at least 2 of each gender for 3D.
- If you cannot “field” a full qualified team, only your archers that qualify to register as individuals are eligible to participate (*those that finish in the top 10 individually in their division*).
- Teams and individuals are not guaranteed shooting spots. Teams/Individuals will be assigned shooting positions based on their tier, score/rank, preferences.
- Qualified teams and individuals from all states may register for either one but not both national tournaments.
- Teams and Individual archers from states that do not offer a NASP® IBO 3-D Challenge State Tournament will be placed last if space is available.
