

Shooting for the Future

NASP® Scholarship Program

Dear NASP® Scholarship Recipient:

You have been awarded a NASP® Scholarship based upon your performance at the NASP® National, State, or Provincial Tournament. Below are our criteria and protocols for issuing the award.

1. The participant must pursue post-secondary education or training or he or she will forfeit the award.
2. The participant may attend the institution of his or her choice. However, as a condition of receiving the award, the institution must be state licensed and accredited by the applicable national accrediting agencies for one, two or four year schools.
3. If the award is not used by the participant within five years of completing high school, the award will be forfeited
4. A scholarship may be awarded to the same participant on an annual basis (i.e., a participant is eligible to win a scholarship for each year he or she participates in the Tournament).
5. Awards will be paid directly to the recipient's school, to be used towards tuition, room, board, and other fees charged by the institution. However, the award check will be sent to the participant or participant guardian for delivery to the school.
6. Participants will not be paid interest on their awards, regardless of the length of time between the awarding of the scholarship and its payment.
7. NASP® reserves the right to amend these rules or promulgate such additional rules as it deems necessary to administer and carry out the purposes of the "Shooting for the Future" program.

If you have questions, please contact us at: www.naspschools.org

Sincerely,
Tommy Floyd Ed. D.
Vice-President, NASP®
